

ABOUT US

Kidzatplay Recreation Community Service has been incorporated since 2010. Our programs are focused on social and educational developments for children and adolescent kids that have special needs conditions.

We are also affiliated with "Grow NJ Kids" to show our commitment to offer high-quality childcare to get your child ready for school.

Our services are providing opportunities to all parents with social groups that are in need of help and care with state entities that have designated budgets.

What To Know
